**Evolution Markets Recognized for Excellence in Environmental Markets by Readers
of *Environmental Finance* and *Carbon Finance***

*--Awards Garnered in Nine Categories Spanning Global Carbon, US Emissions, Renewable Energy and
Weather Markets --*

White Plains, NY (December 13, 2007): Evolution Markets Inc. announces today it has been honored by the readers of *Environmental Finance* and *Carbon Finance* magazines for excellence in brokerage services to environmental markets.

"We continue to focus our experience, expertise, and dedication on bringing our clients the best opportunities in the emissions, renewables, weather, and energy markets," said Andrew Ertel, President and CEO of Evolution Markets Inc. "This year the survey honors our commitment to the development of new environmental markets, including U.S. Carbon Markets and Renewable Energy Credit Markets. It also recognize our focus on innovation, particularly in global carbon credit markets and U.S. emissions markets."

Evolution Markets received recognition in nine categories in the annual survey, including being named "Best Broker" again this year in six categories. To follow is a complete list of our honors:

- 2007 GHG North America: Best Broker
- 2007 Kyoto Project Credits: Best Broker
- 2007 SO₂: Best Broker
- 2007 US RECs: Best Broker
- 2007 NOx RECLAIM: Best Broker
- 2007 ERC: Best Broker
